Reference images of cosplay

Add images and words here about cosplay being made and what made you want to chose this cosplay to make.

Costume components

Put in a break down of all the components of the costume like the following:

- Helmet
- Skirt
- Boots
- Pants
- Etc

Materials used and why

Product/Item:	Used for:	Sourced from:	Why? (fuller explanations throughout diary)
Eg - fabric	Skirt	Spotlight	Good texture
Add as many rows as you require to showcase these.			

Costume component - eg helmet

- Bullet point descriptions of how it was made.
- Add as many of these slides as you require to showcase the components and their creation.

Costume component - eg helmet - insert progress images below

Questions

- 1. Is there anything you are particularly proud of?
- 2. Any surprises while making the items that made the work easier or more difficult? Describe them.
- 3. If your entry is unfinished how do you plan to finish it? This will be followed up in the interview.
- 4. Was any part of your costume not made by yourself? If yes, which parts? E.g. Bought or had assistance with.

End of diary!
